

Misericords

Manchester Cathedral is full of signs, symbols and stories. If you look carefully around the choir stalls you will see our Misericords, which were designed for weary priests during long services. Underneath each ledge is a special carving that tells a story.

Take a couple of minutes to look at the Misericords below. What animals can you see? What about people? Can you see anything else? Pick your favourite and write a short story to explain what you think is happening in the carving.
